

North State Soccer Kaos/Missfits Exceptional Player Evaluation Request

This form is to be used to request an evaluation of a comp player for possible future play with a comp team above the player's natural age group. **Playing up is not a "right," but is rather an exception only used when certain criteria are met as outlined in the club policies and procedures. For an exception to be granted, it must benefit both the player and the club.** The decision to allow a player age group exception is made by the North State Soccer Board on a case-by-case basis. A member of the NSS Board or current NSS Coach will be appointed as an evaluator, however the NSS Board will be the final arbiter in player age group exception requests. *NOTE: Older teams are not required to take a player that has been deemed able to play outside their age group.*
